DAY, Local Editor.

Dedication.

The new Methodist Episcopal church is Oskaloosa, Jefferson county, Kansas, will be dedicated to the worship of alnighty God on Sabbath October 21st, 1860, by Rev. James Shaw, of Leavenworth district. Services to commence st 11 o'clock A. M. The ministers of adjusting charges are invited to attend. S. BROOKS, Pastor.

FERRIVAL THIS EVENING .- Don't for at to come out to the Festival this (Wednesday) evening. The admission he for a gentleman and lady is only one dollar, for which you can have s good supper and a social time, besides having the assurance that the money will be appropriated to a benevolent purpose. Let Newell's Hall be crowded with ladies and gentlemen.

We have been asked if there would be dancing at the Festival tonight. Our answer is, "of course not." If such an impression has been made, we know not how; certainly not by any recognized proceedings of the Committee of arrangements. We would be surprised to learn that any gentleman or lady of ordinary self-respect, and a proper regard for religion and the hurch, would ever think for a moment, of dancing on such an occasion. We have no serious objections to persons dancing at proper times, but this is not the only method of social enjoyment; and we think it would be out of place. to sav the least of it, at any social assembly, the object of which is similar to that of the Festival to-night.

DEMOCRATIC' CONVENTION .- As will be seen by the call published in another column of this paper, there will be a Democratic County Convention held in Oskaloosa on next Saturday, Oct., 13th. The primary meeting for Oskaloosa Township, will be held at 3 o'clock P. M. on Friday, the 12th inst.

REV. NELSON ALVORD, (Baptist, ) will preach at the M. E. Church next Sun-

day at 11 o'clock, and in the evening at candle lighting.

AYER'S Ague Cure,

stermittent Fever, or Fever and Ague. Remittent Fever, Chill Fever, Dumb Arne, Periodical Headache, or Bilious Headache, and Bilious Fevers, indeed for the whole class of diseases originating in biliary derangement, caused by the Malaria of miasmatic countries.

No one remedy is louder called for by the necessities of the American people than a sure and safe cure for Fever and Ague. Such we are now enabled to offer, with a perfect certainty that it will eradicate the disease, and with assurance, founded on proof, that no harm can arise from its use in any quan-

That which protects from or prevents this disorder must be of immense service in the nities where it prevails. Prevention is risk which he must run in violent attacks of this baleful distemper. This "Cure" expels the miasmatic poison of Feven and Ague from the system and prevents the develop-ment of the disease, if taken on the first apment of the disease, if taken on the first ap-proach of its premonitory symptoms. It is not only the best remedy ever yet discovered for this class of complaints, but also the cheapest. The large quantity we supply for a dollar brings it within the reach of every-body; and in bilious districts, where Feven body; and in bilious districts, where Feven AND Ague prevails, every body should have it and use it freely both for cure and protection. It is hoped this price will place it within the reach of all—the poor as well as the rich. A great superiority of this remedy over any other ever discovered for the speedy and certain cure of Intermittents is, that it contains no Quinine or mineral, consequently it produces no quinism or other injurious effects whatever upon the constitution. Those cured by it are left as healthy as if they had never had the disease.

Fever and Ague is not alone the consequence

Fever and Ague is not alone the consequence of the miasmatic poison. A great variety of disorders arise from its irritation, among which are Neuralgia, Rheumatism, Gout, Headache, Blindness, Toothache, Earache, Catarrh, Asthma, Palpitation, Painful Affection of the Spleen, Hysteries, Pain in the Bowels, Colic, Paralysis, and Deraugement of the Stomach, all of which, when originating in this cause, put on the intermittent type, or become periodical. This "Cure" expels the poison from the blood, and consequently cures them all alike. It is an invaluable protection to immigrants and persons travelling or temporarily residing in the malarious districts. If taken occasionally or daily while exposed to the infection, that will be excreted from the system, and cannot accumulate in sufficient quantity Fever and Ague is not alone the consequence and cannot accumulate in sufficient quantity to ripen into disease. Hence it is even more valuable for protection than cure, and few will ever suffer from Intermittents, if they avail thenselves of the protection this remedy af-fords.

Ayer's Cathartic Pills,

are so composed that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitalities. As a consequence of these properties, the invalid who is boved down with pain or physical debility is astonished to find his health or energy restored by a remedy at once so simple and inviting.

Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis my American Almanae, containing certificates of their cures and directions for their use in the following complaints: Costiveness, Hearthurn, Headache arising from also endered Stomach, Nausea, Indigestion, Pain in and Marbid Inaction of the Bosests, Flatulency, Loss of Appetite, Jaundice, and other kindred complaints, arising from a low state of the body or obstruction of its functions. They are an excellent alterative for the renovation of the blood and the restoration of tone and strength to the system debilitated by disease.
